

Accelerate

Your Transgenic Rat Research
with **GS1-R™**

The **#1** Formula for Germline Competent Rat ES Cells

Introducing GS1-R, the first defined, serum-free media formulation shown to enable the derivation and long-term maintenance of authentic germline competent rat ES cells without the addition of cytokines or growth factors.^{1,2}

Let GS1-R speed your efforts to achieve superior human disease modeling.

To learn more about **GS1-R** and how our SC Proven® cell culture media products can support your research efforts, please visit
